### BIO:

---

Agitha Paramakuru is a Solicitor, Financial Lines with Crawford & Company, specializing in the management of complex financial lines claims, including directors & officers liability, professional liability, and other specialized coverages. She brings extensive experience in claims handling and a strong understanding of both technical and commercial aspects of financial risk. Known for her thorough, solutions-driven approach, Agitha works closely with insurers, insureds, defence counsel, and brokers to ensure fair, timely, and effective claim resolutions.

She brings 5+ years of financial lines experience working with two well-known insurers, giving her a strong foundation in managing files from beginning to end with precision and care.
