BIO:

Angela commenced her independent adjusting career in 2004, after time spent previously at an insurance brokerage, and as an injury paralegal with a law firm in Nova Scotia. She joined Crawford & Company (Canada) Inc. in 2006 and spent ten productive years with the company. Angela returned to Crawford & Company (Canada) Inc. in 2023, after successful time spent as an entrepreneur. She is a multi-line adjuster with excellent investigation, communication, and reporting skills. Angela is licenced in all four Atlantic Canadian provinces, as well as Ontario, British Columbia, and Alberta. In August 2025, Angela was granted the GTS designation.
