 Brad.Heerschop@crawco.ca

BIO:

Brad is a Senior Field Claims Adjuster with experience handling multi-line claims across property, liability, and casualty. He has a strong focus on catastrophe response, large/complex losses, and fraud investigation, supported by extensive catastrophe adjusting work on events such as hail, flood, ice storms, hurricanes, and wildfire, with deployment experience throughout Canada as well as the United States and Australia.

Prior to rejoining Crawford in 2018, Brad spent seven years with a major insurer in Calgary in auto and property roles, including four years as an Alberta Special Investigation Unit (SIU) specialist.

Since returning to Calgary in 2023, he has concentrated on building client relationships while managing complex residential, commercial, and condominium claims, including multi-million-dollar assignments.

EXPERTISE:

Property, liability, casualty, catastrophe, large losses, fraud investigation.
