 Noman.chaudhry@crawco.ca

BIO:

Noman is a specialty adjuster with Crawford's Global Technical Services (GTS) team. He has 11+ years of experience in the industry.

Noman specializes in property claims, both residential and commercial. He has successfully handled complex commercial and residential losses upwards of \$2 million. He has experience handling total losses, complex subscription policies, business interruption and builder's risk policies. He has experience working with many insurers as an Independent Adjuster and as an inhouse adjuster. He has advanced knowledge of scoping in addition to his previous experience as an accountant. This is always an asset when dealing with business interruption claims.
