

Rory Dixon, B.Ed.

Claims Adjuster
Crawford & Company (Canada) Inc.
Edmonton, Alberta

 780-486-8089

 Rory.Dixon@crawco.ca

BIO:

Rory has 14 years independent adjuster experience with Crawford specializing in contractor's equipment, cargo liability, equipment breakdown, commercial fleet auto, personal watercraft and marine surveys. Rory serves as a control adjuster for several large construction, logging and mining companies, managing all claims requirements including adjusting large heavy equipment, physical damage losses and Products/Completed Operations claims.

Rory received his Bachelor of Education Degree (B.Ed.) from the University of Alberta in 2000 and spent seven years teaching at an Edmonton charter school before entering into the insurance industry. Prior to entering university, Rory spent time working in the energy field and completed ENFORM's Petroleum Institute Drilling Rig Floorhand Training Program as part of his training.

EXPERTISE:

- Contractor's Equipment Claims
