

Professional Indemnity & Financial Risks

We can be briefed as part of a 'One Crawford' integrated claims solution, or as a standalone law firm.

ALIGNED STRATEGY

working alongside other Crawford experts, helping reduce indemnity spend

GLOBAL CONNECTIVITY

Crawford owned law firms in Australia & Chile, plus in-house legal expertise within several countries around the world

PRICING REIMAGINED

various innovative pricing solutions where cost effective does not mean inferior service or quality

SINGLE SUPPLIER

driving down claim costs & duration

RIGOROUS BUDGETING

a budget for each claim to ensure no surprises

TOP TALENT ON YOUR MATTERS

home to some of the best minds in the business who are attracted to being part of something bigger than just a law firm

LEGAL PRIVILEGE

established earlier in the claims process

UTILISING TECHNOLOGY

advising you on macro industry trends so you can predict financial expose across your portfolio

DATA IN REAL TIME

our systems can seamlessly integrate with your systems

Clients tell us our offering is “game changing”.
