

Forget what you know about 'Recoveries'. We've created a better way.

CONNECTED STRATEGY

one organisation managing the claim end-to-end, looking right across the supply chain

AGENCY MODEL

our integrated model means both adjusting and legal fees can often be recovered

UNRIVALLED

unique model only possible because we are a law firm embedded within Crawford

ALIGNED EXPERTS

adjusters & lawyers pursuing & aligning the recovery with the first party claim

TECHNOLOGY

automated notification into CLS at 'first notification of loss' to Crawford

MAXIMISING RETURN

because recoveries become a forethought not an after-thought

FREE DEEP DIVE

identifying historical missed recovery opportunities going back six years

NO WIN, NO FEE

yielding maximum return for your business

FASTER RESULTS

fewer working days to recovery

ANY CLAIM TYPE

capability to apply our model across the spectrum of claims and industry sectors where a recovery is necessary

NO RISK

our deep dive is totally free of charge

We are reimagining recoveries.

Clients tell us our offering is "game changing".
