FOR IMMEDIATE RELEASE

CRAWFORD AUSTRALIA STRENGTHENS LEADERSHIP AND SPECIALIST EXPERTISE THROUGH STRATEGIC APPOINTMENTS

Justin McEwan, Lucas Bressanutti, Amy Kane and Joshua Boyd take on key roles across the business

Sydney, Aug. 17, 2026: Crawford & Company (Australia) has strengthened its leadership capability, specialist expertise and client service offering through a series of strategic appointments and internal promotions across its Property, Specialty and Chief Client Office teams.

The appointments include Justin McEwan as Head of Quality and People Development, Lucas Bressanutti as Cyber & Fidelity Leader, Australia, Amy Kane as Strategic Account Manager and Joshua Boyd as Senior Adjuster within the Power, Energy & Construction team. The moves reflect Crawford's continued investment in specialist capability, leadership depth and strategic client support in areas of increasing market need.

Justin McEwan has been appointed Head of Quality and People Development, where he will lead initiatives focused on technical excellence and talent development across Crawford's Property Loss Adjusting business. A highly respected member of the Crawford team, Justin brings deep experience across complex loss adjusting and has played an important role in supporting clients and mentoring colleagues throughout his time with the business.

Lucas Bressanutti has been appointed Cyber & Fidelity Leader, Australia, recognising his contribution to one of Crawford's most specialised service lines. Since joining Crawford six years ago, Lucas has helped build the company's cyber and fidelity capability, working closely with global specialists on complex client matters and supporting the continued growth of Crawford's Specialty offering.

Amy Kane has joined Crawford as a Strategic Account Manager within the Chief Client Office. She brings extensive experience in strategic account management, business development and relationship management across Australia and overseas. In her role, Amy will focus on strengthening strategic relationships, identifying opportunities for collaboration and helping deliver consistent value for insurer clients.

Joshua Boyd has joined Crawford's Power, Energy & Construction team as Senior Adjuster. He brings significant energy sector experience and will play an important role in growing Crawford's influence in the sector. His appointment strengthens the Australia team's technical capability and reinforces Crawford's commitment to supporting clients navigating complex energy and infrastructure risks.

Commenting on the appointments, Jonathan Hubbard, President – Crawford Australia, said, “These appointments reflect our commitment to investing in our people, strengthening specialist expertise and ensuring we continue delivering exceptional outcomes for our clients. We’re proud to promote talented people from within our business and attract experienced professionals whose expertise will support our continued growth across key markets and service lines.”

About Crawford®

Based in Atlanta, Crawford & Company (NYSE: CRD-A and CRD-B) is a leading global provider of claims management and outsourcing solutions to insurance companies and self-insured entities with an expansive network serving clients in more than 70 countries. The Company’s two classes of stock are substantially identical, except with respect to voting rights for the Class B Common Stock (CRD-B) and protections for the non-voting Class A Common Stock (CRD-A).
