

As we continue to strengthen our connection with London Market partners, we are pleased to share a brief update on recent leadership news, market activity and industry engagement across Crawford Canada.

Emily Morine appointed vice president, TPA, London Market & Specialty, Canada

Effective April 1, Emily Morine was appointed vice president, TPA, London Market & Specialty. In this role, Emily will continue to support Crawford's London Market relationships while helping drive consistent service, technical expertise and responsive claims solutions for clients with Canadian exposures.

April 2026

London market visit

Emily Morine and Rob Holmes travelled to the UK to meet with London Market clients and partners. The visit provided an important opportunity to discuss Canadian claims trends, specialty expertise and ways Crawford can continue to support market needs.

CAMGA and Crawford “Meet the Market” cocktail event

Crawford partnered with CAMGA to host a Meet the Market cocktail event at Kelly's Landing in Toronto. The event brought together market partners for an evening of networking, industry conversation and relationship building.

May 2026

Lloyd’s Meet the Market

Crawford attended Lloyd's Meet the Market in Toronto, connecting with brokers, coverholders and market representatives. The event offered a valuable forum to discuss Canadian claims capabilities, emerging risks and opportunities to support London Market business.

CMGA AGM and Speaker Summit

Crawford attended the CMGA AGM and Speaker Summit, joining industry colleagues for discussions on market priorities, claims developments and the evolving needs of clients and stakeholders.

Victoria Hanson, Director of Sales - National TPA joined the panel to discuss Claims & MGAs – What’s Trending? An important topic that provided insights into the claims landscape and what it means to MGAs navigating client expectations, vendor coordination and loss trends.

Crawford Masterclass

The Crawford Masterclass continues to gain strong momentum, with both in-person sessions and national webinars creating meaningful opportunities to connect with our partners, share technical expertise and discuss the issues shaping claims in Canada. The response has been extremely positive, reinforcing Crawford’s role as a trusted, forward-thinking independent adjusting partner.

We will resume our masterclass sessions starting in Fall.
